INTRODUCTION

A late-night special in the heart of Spinningfields, inspired by the new era of cultural brilliance that took the Big Apple by storm.

A parlour of sophistication and glamour set among the moody streets of a rain-washed town that bleeds music and plays by its own rules. Louis invites you to pass through the red velvet curtains, leave your coat at the door, make yourself comfortable, and enjoy a drink or two. You might just catch a glimpse of a world where silver screen decadence isn't just remembered but lives and breathes.

Wednesday – Friday, 5:00pm until late
Saturday & Sunday, 3:00pm until late
