LIMONCELLO

Louis' homemade Limoncello with Tito's Vodka

Limoncello - the traditional Italian liqueur using spirit, lemon zest and sugar.

Originating in Sicily over one hundred years ago, it has since captured the imaginations of home distillers and large producers alike. Here at Louis we have taken those traditions, brought in a touch of flair and experimented with new ingredients creating a selection of limoncellos for you to enjoy.

MACALLAN

The Macallan was one of the first distillers in Scotland to be legally licensed. Since then we have built a reputation as one of the world's leading single malt whiskies. The creation of The Macallan draws on the vital contributing influences of Spain, North America and Scotland - and of their respective natural raw materials, combined with traditional methods and craftsmanship.

THE MACALLAN DOUBLE CASK COLLECTION

Worthy of their name, our Exceptional Oak Casks are the single greatest contributor to the outstanding quality and distinctive aromas, flavours and natural colours of The Macallan. The Macallan Double Cask collection has a prominent, unmistakable sweetness which is attributed to the higher proportion of American sherry seasoned oak casks used for maturation.

THE MACALLAN SHERRY OAK COLLECTION

We respect tradition and mature our whisky in oak casks seasoned with sherry wine hand-picked from Jerez, Spain. The Macallan Sherry Oak Collection features a series of single malt whiskies which are matured in predominantly European sherry seasoned oak casks, for richness and complexity.
